**SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT**

Dear Sir:

Applicant is resubmitting herewith the Information Disclosure Statement originally submitted on May 12, 2004, (copy enclosed) together with 7 sheets of PTO-A820 listing the art originally cited. These references were cited in related patent application numbers 09/532,362 (now U.S. Patent No. 6,543,123); 09/753,200 (abandoned); 10/037,935 (now U.S. Patent No. 6,918,172); and 10/282,354 (now U.S. Patent No. 6,836,955). The claims in the present application are believed to be patentably distinguished over these references.

This information disclosure statement is being made pursuant to the duty of disclosure imposed by law and formulated in 37 CFR 1.56(A). No representation is made that the information thus disclosed in fact constitutes prior art or that it is the closest prior art, inasmuch as 37 CFR 1.56(A) relies on a materiality concept which depends on subjectivity.
